

Oak Grove Farms, Inc. is going to be working with Kent and Raelene Strock from Strock Enterprises, Inc. in taking over the sales of their Fresh Turkeys and Sugar Cured Hams business for the holiday seasons. Strocks have been selling Fresh Turkeys for over 75 years in the Mechanicsburg area, and we are proud to be able to carry on the quality and tradition that they have established over that time. Kent has recommended a bird for us to carry that he feels has a very comparable quality to what he has always produced. The turkeys will be fresh dressed birds that are raised on an all-vegetable diet right down the road in the Lehigh Valley at Jandl Farms. We will carry a wide variety of sizes as you will see on our enclosed order form. Also, we will be carrying sugar cured semi-boneless and boneless hams from Groff's Meat in Elizabethtown. They are the same supplier that Kent has used over the past several years and are well known for their quality. We are looking forward to making this transition with Kent and Raelene Strock, and hoping to make this changeover as seamless as possible.
